5. Enter your library card number (without spaces)
6. Enter your Email address, Password (twice), and your name
7. Click **Create Account** button
8. The status will display Successful, confirmation has been sent to you
9. Check your email and click the confirmation link
10. An Account Screen confirms your account is active

Selecting and reading RBdigital Magazines:

1. Go to the library's website in your internet browser: **pgpl.ca**
2. Click on **Download eBooks & More**
3. Click the **RBdigital Magazines** icon
4. Click **Login** in the top right corner
5. Enter your **username** and **password**
6. Select the magazine you wish to read
7. Click the blue **Checkout** button
8. Click the blue **Start Reading** button
9. The magazine will load in a new browser window
10. To view other magazines you have checked out, click **My Collection** in the top right corner

Setup RBdigital Media Manager for Audiobooks:

1. On the RBdigital website, scroll to the bottom of the page
2. Click on the red and white RBdigital Media Manager icon for Windows or Mac
 - **Windows:** open your File Explorer, open your downloads folder, double click on **OneClickdigital Media Manager Installer.exe**, follow the prompts
 - **Mac:** Download and install the free software from the iTunes Store
3. Log into the software with your country, username, password, and library name.
4. When you Check Out audiobooks on the RBdigital website, they will appear here
5. You may listen to the Audiobook on your computer, or transfer it to a mobile device by following the prompts.

Setup Adobe Digital Editions for eBooks:

1. On the RBdigital website, scroll to the bottom of the page
2. Click on the gray book icon under Download Desktop Apps
3. Click on the Windows or Mac version of Adobe Digital Editions
 - **Windows:** open your File Explorer, open your downloads folder, double click on **ADE_4.5_Installer.exe**, follow the prompts
 - **Mac:** open your Finder, open your downloads folder, double click on **ADE_4.5_Installer.dmg**, follow the prompts

Authorize Adobe Digital Editions with an Adobe ID:

This must be done to be able to read the eBook on your computer and device

1. When Adobe Digital Editions opens for the first time click **Help then Authorize Computer**
2. To use eBooks from the library, you must **authorize** your computer with an **Adobe ID**. If you have an Adobe ID already from another eBook device, you can use the same ID. If this is your first eBook reader or program, click the link **Create an Adobe ID**
3. This will open a browser window with a form to fill out
4. When finished, scroll to the bottom and click **Sign Up**. If there are no problems with the form, you will now have an Adobe ID
5. Go back to the Adobe Digital Editions Computer Authorization window and fill in the email and password you used for your ID and click **Authorize**, then **OK**
6. Your computer is now ready to download eBooks

Borrow and download an eBook:

1. Click the **Checkout** button (you can borrow for up to 21 days)
2. Click open on **URLLink.acsm** to download and open the eBook into Adobe Digital Editions
3. Adobe Digital Editions will open, download the eBook, and open it in the reading view
4. **Mac users:** Open the Downloads window in Safari and double click the title#.acsm file to open ADE

Transfer your eBook to your Kobo eReader:

1. Adobe Digital Editions will be in reading view, click the ◀ **Library** button in the top left corner
2. Connect your Kobo to your computer with the USB cable
3. In a moment, **Kobo eReader** will appear on the left side of ADE under 'Devices'
4. Click and drag the eBook cover to **Kobo eReader** and release
5. The eBook will be copied over to the Kobo
6. Eject the Kobo eReader from your computer and the eBook will be listed on your device

Return an eBook early:

1. In ADE's Library view, **right click on the eBook** cover and click **Return Borrowed Item**
