Library to Go eBooks for Sony Reader PRS-T2
Prince George Public Library
May 28, 2013 (jlk)

To access the library's eBook service, tap **Applications**, then **Public Library**
Browse for a library: **Canada** > **British Columbia** > **Prince George Public Library** > **British Columbia Libraries**
(this will be remembered the next time you use the service)

To sign in:
Tap **Sign In** (top right corner), type in **PRI** and **select Prince George Public Library**, then type in your
library card number (tap the checkbox for the device to remember your library card)

Top of screen icons:

Collections – Fiction, Non-Fiction, Featured
My Account – Bookshelf (your checkouts), Holds, Lists (books you wish to read later), Settings
Help
Search

Search for eBook by tapping the magnifying glass icon:
Can search by **Title**, **Author**, **Subject** in the text box, or tap **Advanced Search** for more options
(Format = EPUB to only search eBooks that the Sony can read the best)
Tap **Library Collection** to search the entire collection
Tap **Available Now** to search eBooks that can be borrowed now
Tap **Search** button
  Black book icon in right corner of covers = eBook is IN
  Gray book icon in right corner of covers = eBook is OUT and a Hold must be placed

To place a hold on an eBook:
If the eBook is out, tap the Place A Hold button.
Enter your email address twice (this will be remembered the next time), tap Place a Hold button
You will be placed in line for the eBook.

Check on your holds:
Tap the My Account icon, then tap the Holds button
You will be shown your place in line. If the eBook is available, tap the cover to check out the eBook

To borrow an eBook:
Tap on cover, tap on **Borrow**, tap on **Download** (select **EPUB** format), then **Confirm & Download**
Top left of screen will say "Downloading" then "Download Complete"

To view the eBook on your Sony Reader:
Press the 🏠 Home button
Tap cover of new book to read it
Can swipe your finger to turn the pages or use the ◁ and ▷ buttons on the bottom of the Sony Reader
While in the eBook, you can change your settings. Press the ▤ Settings button, then tap Font to change your
text size. Press the ↩ Back button to leave the Settings menu.

To return an eBook:
Press the 🏠 **Home** button
Tap **Bookshelves**
Press the ▤ **Settings** button, then tap Return Books
Tap the **checkbox** for each book you wish to return
Tap the **Done (#)** button in the top right of the screen
Are you sure? Tap **Yes**.
