CLUE IN TO THE LIBRARY is a murder mystery for teens that will begin on Tuesday, July 4th and end on Friday, August 18th (6 weeks)

Each Saturday (July 8, 15, 22, 29; August 5, 12) a challenge will be issued at the following locations:

- **Print copies at the Youth Services Desk (BHBR) and at the Nechako Branch.**
- **PGPL Facebook Page (@PGLibrary)**
- **PGPL Instagram (@PGLibrary)**
- **PGPL Twitter (@PG_Library)**

Challenges will include taking photos, creative writing, and solving problems.

Bring your completed challenge to either branch or submit a digital copy to teens@pgpl.ca

You will then be issued 1 clue to help you solve the summer mystery and your name will be submitted into the weekly draw.

When you have all 6 clues, you should know WHO committed the murder, WHERE in the library the murder occurred, and WHAT weapon was used. Use the included Whodunit Play Sheet to help you eliminate options. Submit your answer in person at either branch or email it to us.

If you have the correct answer, your name will be entered in a draw to win one of two grand prizes. The draw will take place on August 18th and we will contact the winner.

You must complete the challenges in order but you can complete previously released challenges at any time during the 6 weeks of CLUE IN TO THE LIBRARY

SETTING THE STAGE

The Library has hosted a Mini FanCon and some of our favourite literary characters have come to PG to participate in the event. Use this Play Sheet to help eliminate potential suspects, weapons, and locations.
