- Try entering the last four digits of your phone number.
- Ask a staff member at the checkout counter to retrieve your PIN during your next library visit.
- If you have an email address in your library account, follow the “Forgot my PIN” link in the My Account pop-up window. You will receive an email message with PIN reset instructions.

## How Do I Renew Materials Through the Website?

Log in to your library account by clicking the My Account button on the top of the library website. Enter your library card number and PIN. Once you’re logged in, select the Checkouts tab at the top of the page to view a list of your borrowed items. Select the the titles you want to renew, then click the Renew button.
