Nominations for the Publication Award must be received by:

Tuesday, November 13th, 2024

Nomination letters must:

Please also include:

- Your name and contact information
- Name and contact information of the nominee (if you know it)

The Jeanne Clarke Local History Award celebrates local history, highlights the library's role in preserving and promoting local history, and recognizes individuals and groups for their efforts in local history. Although the primary goal is to recognize the history of Prince George and the surrounding area, local history is broadly defined to include all of Northern B.C. so historical work with a regional focus is eligible for recognition.

The Service Award recognizes outstanding contributions by an individual or group in the area of local history. The Board's Local History Committee has already selected a recipient for the Service Award and will make an announcement early in the new year.

The Publication Award recognizes authors for producing an important new work of local history. Non-fiction, biographies, historical fiction or any publication that improves the appreciation and understanding of local history is eligible for the Publication Award. Works must be published within the past two years.

Please do not hesitate to contact us at communications@pgpl.ca if you have any questions.

The Jeanne Clarke Local History Awards will take place in February 2025.
