

Library2go

Download eBooks & Audiobooks
on Android & Apple mobile devices
with the **OverDrive** or **Libby** apps

Prince George Public Library – pgpl.ca

November 2019

OverDrive or Libby?

OverDrive is the original app that is compatible with more devices. *Libby* is the newer app with a fresher interface that accesses the same downloadable collection. Install both and see which you prefer!

ANDROID: Install through Google Play

1. Tap the **Play Store** icon
2. Search for **overdrive** or **libby**
3. Tap the **OverDrive** icon or **Libby** icon
4. Tap the **Install** button
5. Tap **Accept** for the app permissions
6. Tap **Open** to launch the app

APPLE: Install through iTunes

1. Tap the **App Store** icon
2. Search for **overdrive** or **libby**
3. Tap the **Get** button
4. Tap the **Install** button
5. Tap **Open** to launch the app

Setup OverDrive

Sign up for an account

- Enter your first and last name, email address (twice), and a password
- Tap the **Sign Up** button
- You will receive an email to verify your account

Add a library

- Tap menu ☰
- Tap **Add a Library**
- Tap **Browse**, tap **Canada**, tap **British Columbia**, tap your library
- Tap **British Columbia Libraries**

Sign in with your library Card

- Tap the **Sign In** button
- Tap **Select your library** to find your library
- Tap the next gray box to enter your **library card number** with no spaces
- Tap the **Sign In** button

Setup Libby

Answer the questions to **find your library** and enter your **library card number**. You are able to add multiple library cards for the same library.

OverDrive basics

Find and download an eBook or Audiobook

- Tap the **search** box  and type an author, title, or keyword
- Tap **advanced search** for more options to narrow your search
- Tap the **menu**  to browse the **Subjects** or **Collections**
- Tap a book cover for more information
- If the title is available, tap the **Borrow** button
- Tap the **Download** button to save the title to your device
- Tap the **menu**  then **Bookshelf** to see your downloads

Place a Hold on an eBook or Audiobook

- If a title is not available it will say **Wait List** at the top of the book cover
- Tap the **Place a Hold** button
- When the title is available you are notified by email and it is automatically checked out
- Go to your **Loans** and download the book

Reading an eBook

- Tap the **menu**  then **Bookshelf** to see your downloads, tap on the book
- Swipe left and right on the screen to flip between pages
- To access options or change books, tap the middle of the screen once

Return an eBook or Audiobook Early

- Tap the **menu**  then **Bookshelf**
- Tap and hold the cover of the title
- Tap **Return to Library**, then **Return** again
- This will delete the book from your device and return it to the system

Libby basics

Find and download an eBook or Audiobook

- Tap the **Search** box at the top of the screen
